### Three-year plan -- provision of gifted education programmes

**for the first cohort of senior secondary students (from 2009/10 to 2011/12 school year)**

The following programmes are adopted with the support of EDB’s Diversity Learning Grant (DLG):

<table>
<thead>
<tr>
<th>DLG funded Programme(s)</th>
<th>Strategies &amp; benefits anticipated (e.g. in what way students’ diverse learning needs are catered for)</th>
<th>Name of programme(s) / course(s) and provider(s)</th>
<th>Duration of programme / course</th>
<th>Target students</th>
<th>Estimated no. of students involved in each school</th>
<th>Evaluation of student learning / success indicators</th>
<th>Teacher-in-charge</th>
</tr>
</thead>
<tbody>
<tr>
<td>Other Languages</td>
<td>-</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
| Other Programmes (Gifted Education Program) | - to enhance students’ transferable critical thinking skills to tackle the challenge of NSS  
- to enhance critical thinking skills (creative thinking strategies, synthesis, analysis, problem solving, application) used in Liberal Studies  
- to provide top Science and Math students with extra sessions on problem solving, investigation and analytical skills  
To provide top Science students with robotics workshops, extra lab opportunities and preparation for external contests (outside experts may be used) | - Core Subject programmes for top achievers  
- Liberal Studies programme for high achievers  
- Chemistry, Physics, Biology, Math enhancement programmes for top Math and Science students | 1 year  
Series of pull out workshops S6 | Top S6 students in LS, Math, Physics, Chemistry and Biology | 25 | Students will transfer critical thinking and problem solving across the subjects as evidenced in results on course assignments and DSE  
Students will take the HKDSE Examination and write OEA & SLP (results and acceptances will be used to determine the programmes’ success) | Mrs. S.Y.Fung |
|                         |                                                                                                    |                                                 |                                |                 |                                               |                                                 |                  |
